## Marylebone Road

Last week we noticed some children and families hurrying across the Marylebone Road without using the proper crossing at the start of the school day.

If your child is in one of the older junior classes, comes to school on his, or her own, and needs to cross the Marylebone Road please remind them about how to cross this road safely.

The Marylebone Road is one of the busiest roads in Europe and there have been two very serious accidents involving pedestrians on this part of the road in the last 18 months.

## Our Website

Lots of reminders this week! Firstly, I'd just like to remind parents about our website. The address is always at the top of this newsletter:

[www.bryanston.net](http://www.bryanston.net).

The website is updated fairly regularly; these newsletters, for example, are uploaded weekly (mostly!). There is also lots of other information that you may find useful - the term dates for this year and next year, the school admissions policy and lots of other school policies. The policies can be found in the

'documents' section of the website and includes things such as our charging policy, complaints policy, special educational needs policy, E-safety policy, child protection policy, exclusion policy and lots of others.

Remember, also, that you can opt to receive these newsletters by email - just email me:

[head@bryanston.net](mailto:head@bryanston.net)

and I'll add you to our distribution list.

## Contact Details and Medicines

Please let us know if your contact details have changed. This is always a popular time of the year to buy a new mobile 'phone so, if you have a new 'phone or new number, please make sure the school has it recorded.

The other reminder is about medicines. We have lots of asthma pumps and a few other medicines in school for many children. If your child has any medical need (asthma, diagnosed allergy, etc) please make sure we know about it. If you have left medication in school please check it's still in date and hasn't expired.

*Congratulations to John Riordan who celebrated his 60th birthday on Friday.*

## What's On This Week

- Tuesday: junior classes pantomime trip
- Thursday: F2 to the library
- Friday: Y3 and Y4 to the library
- Friday: girls' football tournament in Regent's Park
- Friday: Y3 class assembly

## School Dates

- Wednesday (8th Feb) and Thursday (9th Feb): Parent and Teacher Meetings
- Friday, 10th February: Last day of term 3 (please collect children at 1.15)
- Monday, 20th February: First day of Term 4.
