## Sports Day

Our Sports Day (for Year 1 to Year 6) is on Thursday this week at the running track in Regent's Park. A separate letter will go out about this today or tomorrow. The only thing I would add to the letter is that the weather for Thursday looks a bit unpredictable; sunshine and heavy showers are forecast at the moment.

We've always been fairly lucky with the weather for Sports Day but, if it looks like it is going to be cancelled, then we'll make a decision at about **8.30 on Thursday** morning and let you know by text, twitter and on our website.

Please don't ring the school before 8.30 and wait for the text message. Hopefully the sun will smile on us!

## Meetings

It's a busy week for the Foundation Stage classes. F1 (Nursery) are holding open mornings on Wednesday and Friday and on Friday there's a meeting for new F2 parents in the ICT room.

## Summer Fair

The Friends of St Mary's have asked me to remind everyone about the Summer Fair on July 7th. They're working really hard to make it a success and need help from you. If you can volunteer some time on the Saturday to help with a stall, please hand in your volunteer sheet either to someone on the committee or the school office. The raffle tickets are selling well. If you need more there are plenty of spare books and you can get them from the office staff. If you've got anything that's new, and unwanted, the Friends would be very pleased to have it as a tombola prize, or to sell. Please hand in any donations in to the school office. Two weeks to go ...

## Welcome Back

Alison Glover returns to school today after her hospital treatment and it's good to have her back! She'll be easing her way back into school life slowly and supporting Year 5 for the next few weeks.
