Year 6 Business Project

A few weeks ago Year 6 pupils submitted potential business proposals to a 'Dragon's Den' panel in school and, I am pleased to say, one of their enterprises is now about to be launched.

Below is a message from the company!

"This week the Ice-Cream-Inator company will be opening with a delicious range of flavours that includes bubblegum, cherry and strawberry priced at £1 each. The business will be selling their ice-lollies later in the week (after school, in the playground) depending on the weather! So come along this week for some yummy ice-lollies and a great deal!"

Communicating With Parents

I mentioned last week that we are trying harder to communicate with parents and that newsletters can be sent via email as well as the paper copy, that the newsletters are also available on our website and we have an rss link that you can subscribe to.

Our Friends Association now has a Twitter account that you can

follow. Search for [friendsstmarys](https://twitter.com/friendsstmarys).

They also have a new website at : www.friendsofstmarysschool.co.uk

The school, not wishing to be left out of the Twitter revolution, also now has a Twitter account. Search for **SMBSschool** if you want to follow us.

You can't accuse us of not trying!

Yoga

The Friends are also providing free yoga sessions at the moment for pupils and adults before school from 8.40 to 8.55 in the school hall. Today's session went really well.

Busy Week!

This is an incredibly busy week in school; please see below!
