of work will certainly brighten up a dull corner of the playground.

Last Day of Term - FRIDAY

It's the last day of term on Friday. **Please collect children from class at 1.15.**

Friday will also be a **non-uniform day**. We are having a 'street party' in school (weather permit-

ting) to mark the Queen's Diamond Jubilee and we are asking the children to come to school on Friday wearing red, white and blue. We

are not asking for any cash contribution for this non-uniform day. Hopefully we'll have all have a good time and it

will be a fun end to this term. If your child brings their own packed lunch, perhaps you could think about how you could 'theme' it for Friday.

There may also be an opportunity for some face painting on Friday. If you **DO NOT** want your child to have his/her face painted please let us know by Friday morning.

learning about how to manage money) we have now been able to arrange an advice session for parents; budgeting advice, practical tips, information, and where to go for more help will be covered. Personal (1:1) appointments will also be possible.

This session will be on **Thursday, 5 July 2012 at 9.15 - 10.15 am**. In order for this session to go ahead, we need to guarantee to have 20 or more parents. Please sign up on the list in the office as soon as possible. See Mrs Leith for details.

Emergencies

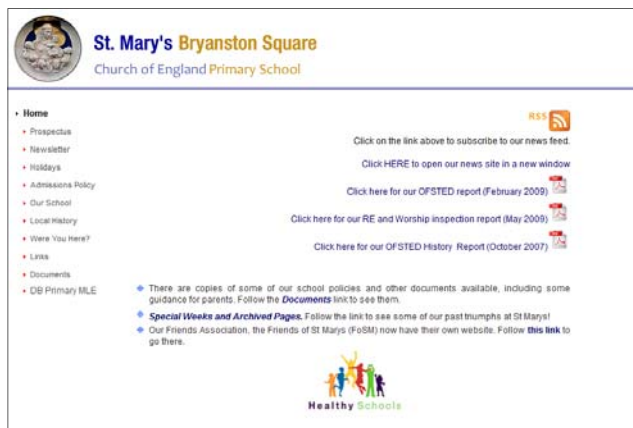

Every now and again we remind parents about our emergency procedures.

If there was an emergency incident in the local area we would take advice from the emergency services. If they told us to leave the site then our first evacuation site would be St Mark's Church in the Old Marylebone Road. If that was not possible we would use St Mary's church. If neither of these were possible we would follow the emergency services' advice.

If there was a problem in the local area, please **DO NOT** call the school. We

have only one telephone line into the school and we would need it available for our communications. In such an event we would aim to keep parents informed with our text messaging system, through our website and (now) through Twitter.
