Harvest Service

Thank you so much for your generosity last week; we had so much food donated that we didn't have time to unpack it all before the service in church - the first time that's ever happened!

Scooters

Just another reminder that the children should not use scooters in the playground at the start, or end, of the day. There have been lots of children speeding through the playground recently and we had two accidents last week. If your child comes to school using a scooter, please make sure he, or she, does not ride it into school.

Friends of St Mary's

On Wednesday, after school, the Friends are running a disco for the children. Entry is by ticket and they are being sold in the playground this week (£2.00).

The Friends are also running a Christmas Card competition. The children need to hand their designs in at the school office by Friday (on

A4 sized paper).

Non-Uniform Day on Wednesday

To coincide with the Children's Disco we are holding our non-uniform day on **Wednesday** (17th October), rather than the last day of Term. Perhaps the children going to the disco can dig out their disco gear from the wardrobe?! As usual, we ask for a £1 donation if your child chooses to come to school in their own clothes on Wednesday.

Black History Month Assembly

On Friday we have an assembly at 9.15 (for about 45 minutes) as part of our work for Black History Month. Parents are welcome to come along.

Parent and Teacher Meetings

Next week we are holding our Autumn Term parent and teacher meetings. This is an opportunity to dis-

cuss how your child has settled in to the new school year and to flag up anything you think we need to know, or any questions that you may have. There will be 'sign-up' sheets going up outside the younger classes towards the end of this week and start of next week and a letter for the parents of children in the older, junior classes
