School Journey

Our Year 6 pupils left this morning for their school journey trip to the PGL Activity Centre at Marchant's Hill near Hindhead in Surrey; an area of outstanding natural beauty.

They are there all week and spend their time in team-building activities. The PE curriculum expects children to experience 'outdoor and adventurous activities and this trip enables us to fulfil this requirement. The children have a great time and it really sets them up for their last year in primary school.

Secondary Transfer Meeting

Just a reminder that on Thursday this week we are holding a meeting for the parents of Year 6 children at 3.30 in the ICT room to talk through the process for secondary transfer. Year 5 parents can come along to this meeting too.

The secondary schools hold open days over the next month and this is a good opportunity for Year 5 parents to see what's out

there and have a 'heads up' before it all gets a bit urgent next year.

Friends of St Mary's

The Friends' Association supports the school in many different ways - raising money, for example, as well as organising school events such as the Christmas Fair and Summer Fair.

Their first Meeting of this

school year is on Friday at 9am to think about projects for this year. Any parent is welcome to come along - they welcome any support you can offer.
