## Welcome Back

I hope everybody had a restful holiday and is looking forward to the new Term - we're half way through the year already!

## Imperial College Healthcare

Our Friends Association donated some toys to the Children's A and E department at St Mary's Hospital in Praed Street before the holiday, as well as some sensory touch boards. They are also putting together an activity book for youngsters to use while they are waiting.

Just before the holiday they took a few children to the hospital to present the touch boards.

## Building Work

The school kitchens were re-furbished over the half term holiday; they were completely re-tiled and re-painted.

The grant to enable this work came from the **Rose Foundation**, a local charity. They have helped us several times in the past with the re-surfacing of the school car park and the installation of some air-conditioning, for example, as well as a contribution towards the cost of the work at the playground entrance last year. We're very grateful to the Rose Foundation for their support.

## Headship Applications

We had a potential candidate come for tour of the school just before the half term holiday, and there are more visits scheduled for this week. The closing

date for applications is March 8th (a week on Friday).

## Valentine's Tea Party

Thank you to the Friends of St Mary's for organising the Valentine's Tea Party and Disco on the Friday we broke up for Half Term; a fun way to finish the Term!

## What's On

- Wednesday: Year 1 and Year 2 to the library
- Wednesday: Football match against St Vincent's after school
- Thursday: Year 3 and Year 5 swimming
- Friday: Chinese New Year Roadshow - for the whole school.

### School Dates

- Friday, 15th March: RED NOSE DAY
- Thursday, 28th March: Last day of Term 4 - please collect children from class at 1.15
- Monday, 15th April: First day of Term 5

Welcome to Term 4!

Peter Hadfield
