Class Fundraising

Three of our classes are trying to raise money for upcoming class trips over the next few weeks and would appreciate your support.

Year 2 and Year 5 are raising money for their Geography field trip to Rottingdean. They will be selling ice creams after school on Fridays (£1) until the end of this month.

Year 6 will also be selling their 'Great British (St Mary's?) Bake-Off' cakes on **Thursday, 13th June** after school. The children are making these cakes as part of their maths work this term; maths was never so tasty in my day!

Walk to School Week

A note from Sheelagh Leith, our Learning Mentor:

"Next week (17th June to 21st June) is our 'Walk to School Week.' The children will each receive a five day activity diary, with each day having a different theme: safety, discovery, health, eco-friendly and social time. Please try to take the time to both walk and talk with your children about these matters."

Can you Help?

Sheelagh is also looking for someone to help out with our gardening club - especially keeping things watered during the school holidays! If you think you can help, please see Sheelagh, or leave your name with the office staff and she'll get back to you.

Life Education

Mobile Classroom

We had many positive comments about our children last week from the staff who deliver the sessions in the mobile classroom - and they visit a lot of schools! Well done everybody!

This time of the year we have lots of Personal, Social and Health Education 'extra' activities happening in school, whether it's drug education sessions for Year 6 or cycle training for Year 5, etc.
