## Year 4 Roman Day

On Wednesday, children from Year 4 dressed up as Romans for the day, had Roman names and created a huge array of Roman artefacts, such as shields, jewellery, purses and special writing paper. It was a wonderful recreation of what life in Roman times might have been like!

## St Mary's: A Healthy School

We want to make sure that St Mary's is a safe and healthy place for all our children, and ask for your help in ensuring this happens.

### Lunch boxes:

For those of you who provide a packed lunch, please can you follow these guidelines:

'Please remember, that to be healthy and because of children's food allergies, our school food policy is:

NO NUTS, even if it's only for your child.

NO SWEETS, CHOCOLATE BARS OR FIZZY SOFT DRINKS and *if* crisps, low fat/ low salt please'

### Birthday cakes:

If you would like to send in cakes to celebrate your child's birthday, please make sure these are plain fairy cakes only. This is because we have several children in school with food allergies, and many fancier cakes can contain either nuts or other allergens. It would be such a shame to have to stop this practice, so please can we make sure we stick to plain cakes! Thank you.

## Parent Governor Election

A reminder to bring in your ballot forms to vote for the governor vacancy by Monday 6th October if you haven't done so already. The ballot box is in the school office.

## Winter Uniform

looking smart and ready to learn! Thank you.

## Ms Watson

We are sadly saying goodbye to Ms Watson, one of our midday meals supervisors this month, who has decided to move on from St Mary's. We all wish her well and want to thank her for all she has done for the school.

*All best wishes for the weekend:*
