### Bunny Hop

The bunny hop on the last day of term raised £900. The Friends have donated half of this money (in discussion with us) to the Disaster fund in Nepal as we are all keen to do whatever we can to help. The other half of the money will go towards more sports equipment for the school. I know how much everyone is enjoying the new equipment (I can see from my window!), so to have even more will be wonderful. Thanks so much to everyone for taking part.

### Jump Rope for Heart

Miss Bell is sending out a letter about the 'Jump Off' which will be happening on Thursday 21st May. We will be selling skipping ropes for children to practise with for £2 up until then. We are all looking forward to seeing Y5 demonstrate their skipping skills to us in assembly today.

Well done to Mr Moss and Mr Angell On Sunday, Mr Moss ran the London Marathon and completed it in less than 4 1/2 hours. Mr Angell's touch rugby team beat Wales and Ireland, and will hopefully be in the semi-finals! You can find out more at [www.touchworldcup.com](http://www.touchworldcup.com).

### General Election

As the country builds up to the election on Thursday, several classes in school have been working on activities related to voting, manifestos and policies. For example, Year 6 have four parties and will be holding a vote based on how persuasive each party has been!

School will be open as usual on Thursday.

Our assembly focus this week has been on caring for ourselves, as each one of us is completely unique. It is important that we take the time to rest and look after ourselves, so that we can enjoy the world around us and everything it has to offer.

We were all very sad to hear about Nepal this week, and our prayers go out to everyone who has survived the earthquake, and to all those who have lost loved ones.

Wishing you a peaceful bank holiday
