Summer Fair

A final message from the Friends

Please join us at the summer fair this Sunday - there will be food, drinks, a bouncy slide and lots of other fun family activities.

If any parents are available to help on the day, please come to school around 11am - or if you are able to help prepare the school for Monday afterwards, that would be gratefully welcomed as well!

Assemblies this term:

Green Team and British Land

Yesterday, volunteers from British Land worked with our Green Team on ways to promote healthy eating around the school, and to make a mud play area for the Early Years. Here they are in action:

We are very grateful to the volunteers for their time and enthusiasm, and very proud of our wonderful Green Team.

Online Payments

Ms Cahill will be sending out information next week about whether parents would be interested in starting to make online payments to the school. We think this might make things easier for parents, and ideally, we would like to reduce the amount of cash we handle in school. Please let Ms Cahill know your thoughts.

Ice Lollies

From next week, we will be selling ice lollies after school to raise money for summer trips. The days we will be selling on will depend on the weather, so watch out for the lollies on sunny days!

Looking forward to seeing as many of you as possible at the Summer Fair on Sunday—it should be a wonderful time for us all.

With all best wishes,

By Norman
